3. Your desired password
4. Repeat the same password

The screenshot shows the sign-up page of the RPGuild website. At the top, there is a dark header bar with the RPGuild logo on the left and 'Login' and 'Signup' links on the right. The main content area has a light gray background. It features the heading 'Get in touch with fellow adventurers and roll some dice' followed by a 'Sign up' sub-heading. Below this are four text input fields: 'username (will be shown publicly)', 'email', 'password', and 'password confirmation'. At the bottom of the form is a 'Sign up' button, which is highlighted with a red rectangular border.

Then press the sign up button

The screenshot shows the RPGuild website's login page. At the top, there is a dark header with the RPGuild logo on the left and 'Login' and 'Signup' links on the right. The main content area has a light gray background with the heading 'Log in' centered. Below the heading are two input fields, 'email' and 'password', which are grouped together and highlighted with a red rectangular border. Below these fields is a checkbox labeled 'Remember me'. Underneath the checkbox is a black button with the text 'Log in' in white. At the bottom of the form are three buttons for social login: 'Sign in with Twitter', 'Sign in with Facebook', and 'Sign in with Github'.

The image shows the login page of the RP Guild website. At the top, there is a dark header with the RP Guild logo on the left and 'Login' and 'Signup' links on the right. The main content area has a light gray background. In the center, the text 'Log in' is displayed. Below it are two input fields: 'email' and 'password'. Under the password field is a checkbox labeled 'Remember me', which is highlighted with a red rectangle. Below the checkbox is a dark 'Log in' button. At the bottom of the form are three buttons: 'Sign in with Twitter', 'Sign in with Facebook', and 'Sign in with Github'.

You can choose to checkmark the “Remember me” so that you don’t have to refill the log in info.

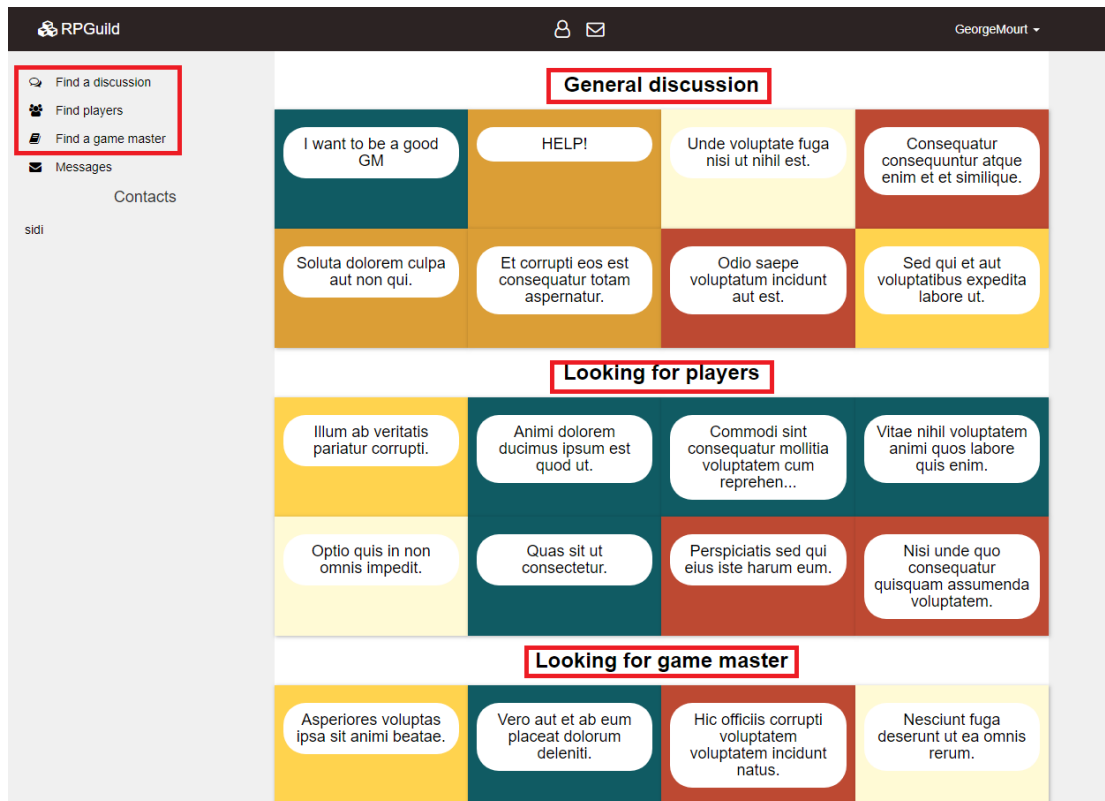

Then press the log in button.

This image is identical to the one above, showing the RP Guild login page. However, in this version, the 'Log in' button is highlighted with a red rectangle, indicating the next step in the process.

Alternatively, you can log in using Twitter, Facebook or Github.
